

Hello LBASC Families - welcome to term two of 2018.

A big welcome to all new parents and children who have started in 2018.

We are always looking for new folk to come on board to our parent committee. Meetings are every one or two months for around one or two hours. Please let Lalita know if you are interested in joining.

Just to remind parents and caregivers, our roll call is conducted at 3.10pm and is completed by 3.20pm. If your child is away, at a playdate or something similar, please let us know by 2pm by contacting the ASC phone on 021 128 2264. Also if your address has changed recently, please see Lalita or Kylee and they will check and update your original enrolment form.

If parents/caregivers are wanting a casual place or extra day please contact Kylee on LBASCPPC@gmail.com,

In case of miscommunication between parents and caregivers, when children are still at ASC at say 5.50pm (this isn't common), please let us know if you would like a text reminder. If you have any concerns regarding your child at ASC, please contact us.

Lastly, please recognise staff by our orange name After School Care name tags.

Kind regards,

Lalita - Supervisor

The winter months

Please remember that children should have warm winter clothing for some outdoor days otherwise they will be kept inside for activities in the hall.

Over the winter months as it get dark earlier the front entrance to the hall will be locked at 5pm so please knock on that door or the hall window and myself or another staff member will let you in.

Donations of old magazines and paper for collage would be appreciated as we'll be doing more craft now that it's colder.

Meet the staff

Anthony

I'm a student studying youth development at Weltec. Active bodies are active minds.

Tia

Hi my name is Tia and I work Mondays, Wednesdays and Thursdays. I am in my last year at Wellington East Girls' College. I am an old Lyall Bay School student and also attended After School Care. I love working with the children in my care.

Pita

Hi my name is Pita and I am a super stressed Massey student studying Visual Communication and Design. I have been working here for two months and I think this job is awesome because kids are fun and playing them reminds me that I need to relax and take it easy.

Jake

I'm Jake, I'm 18 and am currently saving to travel in the next couple. My hobbies include skateboarding and music production.

Meet the staff

James

Howdy parents of ASC. My name is James, I'm 24, and have been enjoying looking after your kids at Lyall Bay ASC for almost five years now. Over that time I've seen your wee ones come at us at five years old and it's been a pleasure to see them grow and develop as little people.

To know that I might have helped little humans to get over something they were struggling with, or introduce them to something new they were struggling with, or introduce them to something new outside their comfort zone is awesome. Come up and say hi, I'll usually have a silly grin on my face and I'd love to hear about what your little ones like to do.

I work Tuesdays and Thursdays as my second job at the moment is with the Co Op bank. My hobbies include writing music, gardening and running a guild of nearly 100 people in an online video game in the evenings. I'm also eager to resume my BA degree at Victoria University in the near future.

Jayson

Hi I'm Jayson. I've been working here for two years and hope to stay for a little longer. I'm an ex Lyall Bay School student and am currently studying Visual Communication and Design at Massey University. My hobbies include sports and all things music. It's a great job and I enjoy it.
